Thank you very much for your recent application for re-appointment as a volunteer member of the Senior Citizens Commission, and for taking time to meet with the Mayor to discuss your interest. It is people like you, willing to donate their time and effort, that make Lodi a very special place.

Dear Alexander:

Thank you very much for your recent application for a volunteer position on the East Side Improvement Committee, and for taking time to meet with the Mayor to discuss your interest. It is people like you, willing to donate their time and effort, that make Lodi a very special place.

There were many excellent and highly qualified applicants, which made the selection process very difficult. This letter is to inform you that at the City Council meeting of April 17, 2002 the Mayor recommended and received Council concurrence for the appointment/reappointment. Please note, however, that your application will remain on file with our office for two years from the date received, and will be considered for any future vacancies during that time period.

Thank you again for your time and interest in applying to serve our community.

Sincerely,

Susan J. Blackston
